## Ship simulator 2020 switch

USA Nintendo Switch Ship Sim 2020 Lowest price: \$9.99 - Release date: June 11, 2020 Welcome to the most exciting and realistic ship simulator game - Ship Sim 2020! Cruise around the Mediterranean Sea as captain of a 400-meter tanker, giant cargo ship, or luxury cruise ship. Cruise your ship on a realistic and detailed open world map and complete missions in many of the iconic port cities around the Mediterranean. Ship Sim 2020 has everything you've always wanted in a ship simulator game. There are over a dozen ships to start with, each detailed and realistic, with many external, internal and deck cameras. And the best part is: you basically get 3 different boat simulator games in one: cruise ship simulator - there are plenty of tourist hot spots on the Mediterranean Sea and it's your job to ferry thousands of passengers to their destinations. And no boat simulator game would be complete without some of the world's most impressive and luxurious cruise ships - check it out! Cargo ship simulator - as commander of a giant cargo ship is your job to transport hundreds of thousands of tons of cargo from port to port. As you complete missions and earn money, you'll be able to afford some of the largest cargo ships traveling in the seas. Tanker simulator: Start with a normal-sized tanker and hop on the giant tankers that will belittle any other ship around them. Missions will consacrate you in the city's ports and oil rigs nestled in the middle of the... Information taken from the official website of the eShop, with all rights reserved.
